

However...

# Build tools have also evolved.

- ✓ Webpack, Rollup, Parcel: all great!
- ✓ Angular devs don't have to worry
- ✓ New/better build tools? All good!

What? BUILD TOOLS  
are evolving!

ionic-app-scripts

# TS, SCSS, AOT, Oh my...

- ✓ Think ngCLI, but before ngCLI
- ✓ Cost of maintenance and features
- ✓ “Angular Way” vs. “Ionic Way” problem
