capacitor

A new native bridge for cross-platform web apps

capacitor.ionicframework.com

One API for all Platforms

✓ iOS, Android, Web and Electron

✓ Provides polyfills as fallbacks

✓ **ngAdd** coming soon!

```javascript
const { Filesystem } = Plugins;

fileWrite() {
  try {
    Filesystem.writeFile({
      path: 'secrets/text.txt',
      data: "This is a test",
      directory: FilesystemDirectory.Documents,
      encoding: FilesystemEncoding.UTF8
    })
  } catch(e) {
    console.error('Unable to write file', e);
  }
}
```
